Dear AJ de Wet

SAGA MEMBERSHIP FOR 2022

Thank you for being a member of the Southern African Gas Association.

The past 2 years of Covid-19 has been challenging for business as we were all needed to adapt and adopt the new thinking and amend ways of doing business. SAGA was no exception to this nevertheless remain dedicated to advancing the aim of industry safety and in the workplaces.

We are excited to inform of the expansion of SAGA's mission to embrace the emerging markets of CNG, LNG, Biogas and Liquid Fuels, a venture in which many members will be participating. The positive belief that maintaining the ongoing impetus and interaction between industry stakeholders and members the future can only be more beneficial to all.

As a value add to members, SAGA has introduced "Compliance Conversations" virtual sessions which will occur on a regular basis intended to engage members on issues of compliance, safety and any other topical matters.

A reminder that SAGA logos are trade marked. Please refer to the information pack provided to you previously as to formal guidelines and requirements pertaining to the same.

Once again welcome and looking forward to encouraging engagements in the new year.

Yours in Safety

Roy Lubbe
Chairman
